

# Q-TFGP-500DW-D

# 500-gallon Generator Fuel Trailer

This package includes a 500-gallon double-wall steel tank with internal baffles and a powder-coated finish. It's mounted on a 7K GVW double-axle steel trailer, DOT-approved for diesel fuel, and can be towed on public roads when full.

## STANDARD FEATURES

- Tank level gauge, leak gauge, lockable fill cap, vacuum/pressure vent
- Steel baffles to prevent fuel sloshing
- Powder coat paint with base coat primer
- (2) Sets of 3/8" supply & return hook ups with .5" diameter dip tubes
- Tongue-mounted lockable toolbox
