

TFC-2000DOT | 2,000-gallon DOT 406 Fuel Trailer

This package includes a 304 Stainless Steel DOT 406 Specification tank mounted on a 21K GVWR triple-axle steel trailer. The trailer is DOT-approved for use with gasoline and diesel fuels. It can be towed on public highways when full, provided proper Hazmat placards and a commercial driver's license are obtained.

STANDARD FEATURES

- Tank level gauge, lockable fill cap, 20" Betts hatch with vacuum/pressure vent
- Stainless Steel construction & baffles to prevent fuel sloshing
- Powder coat paint on trailer with base coat primer
- Integrated fuel sump with spring close valve
- Hoses, piping, and fittings are high grade
- Emergency shut off valve
- Two E-stops, 20lbs BC Fire Extinguishers
